Circular No.799

Year 11 and 12 Booklist 2027

Parent shopping checklist | St Michael's Collegiate School

Use this list when ordering through Box of Books, shopping elsewhere, or checking what you already own.

Digital texts and access codes should be purchased through Box of Books. Where a print and digital package is available, families can choose this option through Box of Books.

Physical books, stationery and equipment can be purchased through Box of Books or from another supplier. Check that you are purchasing the correct edition or specification if not using Box of Books.

If your subject is not listed, textbooks and other learning resources will be supplied in class. You can choose your own stationery.

Where no stationery is listed under a subject, you should choose your own. A suggested set of stationery is provided in the Box of Books shop.

*Purchase through Box of Books **before 13 December** to guarantee physical item delivery prior to the start of the school year.*
