Vacation Care operates from 7:30am to 6pm. The experience & times listed on the program is the main attraction of the day & bus departure and return times.

Unless stated, all children need to bring along morning tea and lunch.

Afternoon tea is provided.

Please pack appropriate clothing for planned activities and unpredictable weather!
This may include spare clothes, socks, and gum boots.

Please arrive 15 minutes PRIOR to bus departure time.

Throughout everyday there are many more opportunities for loads of fun - Lego, beading, painting, games – inside and out, crafts, cooking, dancing, gymnastics, imaginative play.... the list goes on. The children are heavily involved in the development of each program and love providing feedback for us to implement in the next Vacation Care program.
